YOUR RESPONSES

The ISTW covers the tuition portion of your college expenses for one semester. It is truly a way to "try out" Army ROTC without committing yet to serving in the military. To help us better understand why you are applying for this benefit, provide three bullets on how Army ROTC and earning the ISTW helps you reach your career goals.

3

Briefly list three activities you were a part of during your last four years and why did you select these activities over all others? If you have more, just list the three you enjoyed the most.

Did you work part-time while in high school (include any self-employment too)? If so, what positions did you hold?

ALL NEW CADETS MUST INCLUDE A HIGH SCHOOL TRANSCRIPT WITH UNWEIGHTED GPA, AND ACT/SAT SCORES. COLLEGE STUDENTS MUST PROVIDE A COLLEGE TRANSCRIPT WITH ALL GRADES EARNED.
